

# Helping Your Organization Produce a Successful Event

Pro Expo is a full-service event management company that can help your organization produce and manage successful events. We offer flexible services and can accommodate all or any part of your company's event needs. As experts in the event industry, we have extensive experience in executing events of all sizes in more than 50 cities.

## Understanding the Client Needs:

We can take your idea and shape it to fit your needs and budget. Our staff can also help your event run seamlessly by managing the exhibit setup and tear down, vendor move in and move out, exhibit floor management, venue cleaning, freight and shipping.

## Onsite Expertise:

- Event Staffing
- Floor management
- Rigging & Staging
- A/V, pipe & drape
- Freight in & out
- Drayage
